**Subject:** Jeff Shea- Dae Eui Lee Depo Prep/Merits Review Update

Team: I had been working on a batch in the "SKK D Lee 10-15-12" grouping (per yesterday's e-mail, I've since moved on to the newly-created SKK-Dae Eui Lee-Hot or R 10-18-12 conspiracy00001 batch). I had completed all of the documents in the batch that were previously marked "hot," and had reviewed some of those previously marked "relevant." I've seen some pretty good stuff so far, mainly e-mail strings [redacted] occurring in 2005 and 2007 in [redacted] ("Conspiracy" - not to be confused with the "Conspiracy" document from the [redacted]). I have encountered many different-length versions of the same or similar e-mail strings [redacted] for consistency and completeness. In a few of these e-mails, [redacted] playing an active role in [redacted] meetings, i.e., [redacted] attending or going out to attend [redacted] attendance at conspiratorial meetings "hot" for deposition review purposes. Because they do not offer insight into exactly which issues were actually dealt with at the meetings, "Conspiracy" has been the only Depo Prep Top Level Issue I've been checking off for these documents. Not surprisingly, these e-mails have all been [redacted] thus far. Summarized below are a few examples. Thanks, and have a good weekend.
